If Claims are filed against Indemnitees which allege negligence on behalf of the Consultant, Consultant shall have no right of reimbursement against Indemnitees for the costs of defense even if negligence is not found on the part of Consultant. However, Consultant shall not be obligated to indemnify Indemnitees from Claims arising from the sole negligence or willful misconduct of Indemnitees.

b. **Indemnification for Claims for Professional Liability Only:** As to Claims for professional liability only, Consultant's obligation to defend Indemnitees (as set forth above) is limited to the extent to which its professional liability insurance policy will provide such defense costs.

Data Collection. NBS will gather and review data pertinent to the administration of the Community Facilities District. Data will be obtained from various sources such as assessor's parcel maps, building permits and county assessor information as determined to be necessary based on the requirements of the Rate and Method of Apportionment. NBS will maintain and periodically update a database of all parcels within the districts and relevant parcel information.

Administrative Cost Recovery. NBS will identify all costs associated with the administration of the Community Facilities District and recover those costs through the levy process as outlined in §53317(e) and §53340 of the Government Code of the State of California. Such costs may include, but are not to be limited to: bank fees, legal fees, county tax collection fees, and all costs and expenses of the public agency and its consultants related to district administration.

Special Tax Requirement. NBS will calculate the annual Special Tax Requirement that will include all necessary components as outlined in the Rate and Method of Apportionment, such as funds necessary for authorized services and maintenance, administrative expenses, collection for direct financing of services or facilities, and credits as determined from the analysis of the district funds.

Levy Calculation. NBS will calculate the annual special tax levy for each parcel within the Community Facilities District following the guidelines established in the Rate and Method of Apportionment.

Meeting Attendance. NBS will attend district related Council meetings related to district administration, as requested by the City.

Levy Submittal. NBS will submit the levy to the County Auditor Controller in the required format and medium (i.e. tape, diskette). Special Taxes rejected by the County Auditor Controller will be researched and resubmitted for collection on the County Tax Roll. Any parcels that are not submitted to the County for collection will be invoiced directly to the parcel owner, with payment submitted to the public agency.

Special Tax Levy Report. NBS will provide an annual Special Tax Levy Report. This report will include a parcel listing with levy amounts and other parcel information, the details of the annual Special Tax Requirement, current delinquency information, fund analysis, administrative expenses to be recovered, and status of the project and current issues affecting the district.

Delinquency Monitoring. NBS will provide a comprehensive list of delinquencies after each special tax installment becomes due. The delinquency report will provide the district's overall delinquency percentage as well as a detailed list of each delinquent parcel, with the name and address of the delinquent parcel owner, the delinquent amount and penalties.

Notice of Special Tax Disclosure. NBS will provide Notice of Special Tax Disclosure notices to requesting parties as required by §53340.2 and §53341.5 of the Government Code of the State of California. - (3) Number of "your products" withdrawn.

- b. The Product Recall Expense Aggregate Limit is the most that we will reimburse you for the sum of all "product recall expenses" incurred for all "covered recalls" initiated during the policy period.

- c. The Product Recall Each Occurrence Limit is the most we will pay in connection with any one defect or deficiency.

- d. All "product recall expenses" in connection with substantially the same general harmful condition will be deemed to arise out of the same defect or deficiency and considered one "occurrence".

- f. If the Product Recall Expense Aggregate Limit has been reduced by reimbursement of "product recall expenses" to an amount that is less than the Product Recall Expense Each Occurrence Limit, the remaining Aggregate Limit is the most that will be available for reimbursement of "product recall expenses" in connection with any other defect or deficiency.

- g. **Product Recall Deductible**

We will only pay for the amount of "product recall expenses" which are in excess of the \$500 Product Recall Deductible. The Product Recall Deductible applies separately to each "covered recall". The limits of insurance will not be reduced by the amount of this deductible.

We may, or will if required by law, pay all or any part of any deductible amount, if applicable. Upon notice of our payment

of a deductible amount, you shall promptly reimburse us for the part of the deductible amount we paid.

The Product Recall Expense Limits of Insurance apply separately to each consecutive annual period and to any remaining period of less than 12 months, starting with the beginning of the policy period shown in the Declarations, unless the policy period is extended after issuance for an additional period of less than 12 months. In that case, the additional period will be deemed part of the last preceding period for the purposes of determining the Limits of Insurance.

- d. The following is added to **SECTION II - LIABILITY, E. Liability and Medical Expense General Conditions, 2. Duties in the Event of Occurrence, Offense, Claim or Suit**:

You must see to it that the following are done in the event of an actual or anticipated "covered recall" that may result in "product recall expense":

- (1) Give us prompt notice of any discovery or notification that "your product" must be withdrawn or recalled. Include a description of "your product" and the reason for the withdrawal or recall;
- (2) Cease any further release, shipment, consignment or any other method of distribution of like or similar products until it has been determined that all such products are free from defects that could be a cause of loss under this insurance.

- e. For the purpose of this endorsement, the following definitions are added to **SECTION II - LIABILITY, F. Liability and Medical Expenses Definitions**:

1. "Covered recall" means a recall made necessary because you or a government body has determined that a known or suspected defect, deficiency, inadequacy, or dangerous condition in "your product" has resulted or will result in "bodily injury" or "property damage".

 - (4) Hiring additional persons, other than your regular "employees";
 - (5) Expenses incurred by "employees" including transportation and accommodations;
 - (6) Expenses to rent additional warehouse or storage space;
 - (7) Disposal of "your product", but only to the extent that specific methods of destruction other than those employed for trash discarding or disposal are required to avoid "bodily injury" or "property damage" as a result of such disposal,
- you incur exclusively for the purpose of recalling "your product"; and
- b. Your lost profit resulting from such "covered recall".
- f. This Product Recall Expense Coverage does not apply:

- (1) If the "products - completed operations hazard" is excluded from coverage under this Coverage Part including any endorsement thereto; or
- (2) To "product recall expense" arising out of any of "your products" that are otherwise excluded from coverage under this Coverage Part including endorsements thereto.

This condition does not apply to any Excess or Umbrella Policy issued by us specifically to apply as excess insurance over this policy.

G. Liberalization

If we adopt any revision that would broaden the coverage under this policy without additional premium within 45 days prior to or during the policy period, the broadened coverage will immediately apply to this policy.

H. Other Insurance

1. SECTION I - PROPERTY

If there is other insurance covering the same loss or damage, we will pay only for the amount of covered loss or damage in excess of the amount due from that other insurance, whether you can collect on it or not. But, we will not pay more than the applicable Limit of Insurance of SECTION I - PROPERTY.

2. SECTION II - LIABILITY

If other valid and collectible insurance is available to the insured for a loss we cover under SECTION II - LIABILITY, our obligations are limited as follows:

a. Primary Insurance

This insurance is primary except when paragraph b. below applies. If this insurance is primary, our obligations are not affected unless any of the other insurance is also primary. Then, we will share with all that other insurance by the method described in paragraph c. below.

However, if you agree in a written contract, written agreement, or written permit that the insurance provided to any person or organization included as an Additional Insured under this Coverage Part is primary and non-contributory, we will not seek contribution from any other insurance available to that Additional Insured which covers the Additional Insured as a Named Insured except:

- (1) For the sole negligence of the Additional Insured; or
- (2) When the Additional Insured is an Additional Insured under another liability policy.

b. Excess Insurance

This insurance is excess over:

- (1) Any of the other insurance, whether primary, excess, contingent or on any other basis:
 - (a) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";
 - (b) That is Property Insurance for premises rented to you or temporarily occupied by you with permission of the owner;
 - (c) That is insurance purchased by you to cover your liability as a tenant for "property damage" to premises rented to you or temporarily occupied by you with permission of the owner; or
 - (d) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to SECTION II - LIABILITY, Exclusion g. Aircraft, Auto or Watercraft; and
- (2) Any other primary insurance available to you covering liability for damages arising out of the premises or operations, or the products and completed operations, for which you have been added as an additional insured by attachment of an endorsement.

When this insurance is excess, we will have no duty under SECTION II - LIABILITY to defend the insured against any "suit" if any other insurer has a duty to defend the insured against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the

insured's rights against all those other insurers.

- c. When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

- (1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
- (2) The total of all deductible and self-insured amounts under all that other insurance.

- d. We will share the remaining loss, if any, with any other insurance that is not described in this provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations for this Coverage.

e. Method of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable Limit of Insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable Limit of Insurance to the total applicable limits of insurance of all insurers.

- f. When this insurance is excess, we will have no duty under Business Liability Coverage to defend any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so; but we will be entitled to the insured's rights against all those other insurers.

I. Premiums

1. The first Named Insured shown in the Declarations:
 - a. Is responsible for the payment of all premiums; and
 - b. Will be the payee for any return premiums we pay.
2. The premium shown in the Declarations was computed based on rates in effect at the time the policy was issued. On each renewal, continuation or anniversary of the effective date of this policy, we will compute the

premium in accordance with our rates and rules then in effect.

3. With our consent, you may continue this policy in force by paying a continuation premium for each successive one-year period. The premium must be:

- a. Paid to us prior to the anniversary date; and
- b. Determined in accordance with paragraph 2. above.

Our forms then in effect will apply. If you do not pay the continuation premium, this policy will expire on the first anniversary date that we have not received the premium.

4. Undeclared exposures or change in your business operation, acquisition or use of locations may occur during the policy period that is not shown in the Declarations. If so, we may require an additional premium. That premium will be determined in accordance with our rates and rules then in effect.

J. Premium Audit

1. This policy is subject to audit if a premium designated as an advance premium is shown in the Declarations. We will compute the final premium due when we determine your actual exposures.
2. Premium shown in this policy as advance premium is a deposit premium only. At the close of each audit period, we will compute the earned premium for that period and send notice to the first Named Insured. The due date for audit premiums is the date shown as the due date on the bill. If the sum of the advance and audit premiums paid for the policy period is greater than the earned premium, we will return the excess to the first Named Insured.
3. The first Named Insured must keep records of the information we need for premium computation and send us copies at such times as we may request.

K. Transfer of Rights of Recovery Against Others to Us

1. Applicable to SECTION I - PROPERTY Coverage:

If any person or organization to or for whom we make payment under this policy has rights to recover damages from another, those rights are transferred to us to the extent of our payment. That person or organization must do everything necessary to secure our rights and must do nothing after loss to impair them. But you may waive your rights against another party in writing:

- a. Prior to a loss to your Covered Property.
- b. After a loss to your Covered Property only if, at time of loss, that party is one of the following:
 - (1) Someone insured by this insurance;
 - (2) A business firm:
 - (a) Owned or controlled by you; or
 - (b) That owns or controls you; or
 - (3) Your tenant.

You may also accept the usual bills of lading or shipping receipts limiting the liability of carriers.

This will not restrict your insurance.

2. Applicable to SECTION II - LIABILITY Coverage:

If the insured has rights to recover all or part of any payment we have made under this Coverage Part, those rights are transferred to us. The insured must do nothing after loss to impair such rights. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them.

We waive any right of recovery we may have against any person or organization with whom you have a written contract, permit or agreement to waive any rights of recovery against such person or organization because of payments we make for injury or damage arising out of your ongoing operations or "your work" done under a contract with that person or organization and included in the "products-completed operations hazard".

This condition does not apply to Medical Expenses Coverage.

L. Transfer of Your Rights and Duties Under This Policy

Your rights and duties under this policy may not be transferred without our written consent except in the case of death of an individual Named Insured. If you die, your rights and duties will be transferred to your legal representative but only while that legal representative is acting within the scope of their duties as your legal representative. Until your legal representative is appointed, anyone with proper temporary custody of your property will have your rights and duties but only with respect to that property.

BLANKET ADDITIONAL INSURED - PRIMARY AND NON-CONTRIBUTORY ✓

This endorsement modifies insurance provided under the following:

BUSINESS AUTO COVERAGE PART

A. The following is added to SECTION II - LIABILITY COVERAGE, Paragraph A.1. Who Is An Insured:

Additional Insured if Required by Contract

If you agree in a written contract, written agreement or written permit that a person or organization be added as an additional "insured" under this Coverage Part, such person or organization is an "insured"; but only to the extent that such person or organization qualifies as an "insured" under paragraph A.1.c. of this Section.

If you agree in a written contract, written agreement or written permit that a person or organization be added as an additional "insured" under this Coverage Part, the most we will pay on behalf of such additional "insured" is the lesser of:

- (1) The Limits of Insurance for liability coverage specified in the written contract, written agreement or written permit; or
- (2) The Limits of Insurance for Liability Coverage shown in the Declarations applicable to this Coverage Part.

Such amount shall be part of and not in addition to the Limits of Insurance shown in the Declarations applicable to this Coverage Part. Regardless of the number of covered "autos", "insureds", premiums paid, claims made or vehicles involved in the "accident", the most we will pay for the total of all damages and "covered pollution cost or expense" combined resulting from any one "accident" is the Limit of Insurance for Liability Coverage shown in the Declarations.

B. The following is added to SECTION IV - BUSINESS AUTO CONDITIONS, Paragraph B. General Conditions, subparagraph 5. Other Insurance:

Primary and Non-Contributory

If you agree in a written contract, written agreement or written permit that the insurance provided to a person or organization who qualifies as an additional "insured" under SECTION II - LIABILITY COVERAGE, Paragraph A.1. Who Is An Insured, subparagraph Additional Insured if Required by Contract is primary and non-contributory, the following applies:

The liability coverage provided by this Coverage Part is primary to any other insurance available to the additional "insured" as a Named Insured. We will not seek contribution from any other insurance available to the additional "insured" except:

- (1) For the sole negligence of the additional "insured"; or
- (2) For negligence arising out of the ownership, maintenance or use of any "auto" not owned by the additional "insured" or by you, unless that "auto" is a "trailer" connected to an "auto" owned by the additional "insured" or by you; or
- (3) When the additional "insured" is also an additional "insured" under another liability policy.

C. This endorsement will apply only if the "accident" occurs:

1. During the policy period;
2. Subsequent to the execution of the written contract or written agreement or the issuance of the written permit; and
3. Prior to the expiration of the period of time that the written contract, written agreement or written permit requires such insurance to be provided to the additional "insured".

D. Coverage provided to an additional "insured" will not be broader than coverage provided to any other "insured" under this Coverage Part.

ALL OTHER TERMS, CONDITIONS, AND EXCLUSIONS REMAIN UNCHANGED.
